Area Forum

1) PCC Update – Hardy Dhindsa

He is meeting all the villages in Derbyshire approx. 300.

The role of the PCC is to employ the Chief Constable, sort out the budget for policing and so that appropriate resources can be allocated where required.

There is a full report on the Police and Crime Commissioner website that can be accessed by anyone which includes the 7 pledges that he has made that are his priorities.

Derbyshire alert is being re-started for neighbourhood watches but they need to sign up again for it.

A rural crime team has been set up to try and address that form of crime as it is a real problem in areas such as ours.

He opened up to questions

He was asked about waiting times on the 101 reporting line.

The 101 number has had problems but it is being improved with average answer times down to 80 seconds so please continue to use it.

He was asked about the number of PCSO's and could we have more as they were very stretched.

Cuts have meant we have lost officers and he has written to the home secretary, Amber Rudd to raise these issues and request more funding. He hopes that now the election is over that it will be raised up the agenda.

The fatality on main street was raised by a resident.

He will help if he can to address concerns but more often it is down to the County Council and Highways.

Can the Parish Council send him a copy of the letter we sent to the County Council.

He will come back to Hilton as this meeting was meant to be for Etwall.

2) Announcements

3 planning documents are out on consultation at present.
They are available in Swadlincote, libraries and there are drop in sessions.

Hilton drop in session is on the 29th June at Hilton Village Hall 3:30 – 7:30.

Physical Activity document to be adopted by June 14th.

Enforcement activity Briefing June 2017

Dennis Bateman talked through a chart showing information on the topic of enforcement.

Fly tipping has been reported and addressed in Hilton over the last few months with 6 instances.

Legal interventions were another topic discussed. Community Warning and Protection were having big effect at tackling issues that arose. In most cases a warning was sufficient to rectify issues before protection orders.

3) Minutes

Agreed

4) Report Back

Street Lights have been fixed in Hatton. There is a backlog as only one person is fixing them.

Pothole in Hatton has now been fixed and filled.

Letter sent to Paul Jameson at county thanking him for his support at previous meetings from the County Council.

Was requested that as there has now been a change in the administration at Matlock could a representative be sent to the meetings again.

Burnaston Wheelie bin has now been added to the bin round and confirmed has been emptied.

5) Public Questions

Numerous A frames pre and post roadworks seem to be left by the roadside.

Gutter weedkilling doesn't seem to happen anymore
It is still done but will also take back to the County Council for further funding.

Egg boxes not being recycled.

Very disappointed that the contractor made a unilateral decision without speaking to the council. Frank McArdle will be meeting the contractor and telling them that it was unacceptable to do that without notice.

A516 Vegetation by roadworks was covering the roadwork signs. To be taken to next liaison meeting.

Grass cutting at Dalbury Lees was discussed and funding for doing it rather than paying the Council for carrying it out. It must be economically viable across the district but Frank will look into it.

Weight Signage for Lorries at both ends of Main Street raised and making it 30mph from the Islands at each end of the Village.
Need to be taken to County.

6) District Council Issues

New signage for Etwall Leisure Centre Car Parking was being installed to try and stop parking on the road.

Election went very well with the following stats

65k voters

52k voted

14k Postal Voters

11k Postal Votes Received

69% Turnout

Cllr Cooper raised the issue of the Derby Road Development and Housing in Hilton in general with lack of infrastructure.

Frank believed that the planners did a very good job in difficult circumstances but had to deliver so many houses around the district.

A resident raised the issue of the second school in Hilton being built after the houses. Frank believed that this was something the County Council may look into and could possibly object to the building of the houses until the school was built.

The Clerk reported that she had emailed a copy of the height barrier undertaking to Pete Holmes to complete, once this is received back she asked if Hilton Parish Council were happy for her to give Peter Holmes the height barrier code and the code for the Astro Turf and Back Lane Pavilion for use at Party on the Park.

The Clerk asked if Hilton Parish Council was also happy for the bollard keys to be given to the Caretaker at Hilton Village Hall, he would put the bollards down on the morning of Party on the Park. Peter Holmes had already been shown how to lock the bollards at the end of the event.

Resolved: Hilton Parish Council agreed to the Clerk giving Peter Holmes the codes to the Height Barrier, Astro Turf and Pavilion. They also agreed to the Caretaker at the Village Hall opening the bollards on the morning of Party on the Park.

10. Minute Number 2014/17 - Clerk's Reports

- a. Request for Hilton Parish Council to lease the Memorial Meadow on a long-term Lease Agreement – Previously reported under minute number 1130/17, 1149/17, 1171/17, 1196/17

There was nothing to report.

- b. Trent Barton Bus Company update – Previously reported under minute number 1149/17, 1171/17, 1196/17

The Clerk reported that she had emailed Arriva Bus Company, Midland Classic and Notts & Derby's Bus Service to see if they would be interested in running a bus service for Hilton. Arriva was the only company that to date had bothered to reply but unfortunately, they would not be interested in offering a service in this area.

The Clerk reported that she had received a reply from Heather Wheeler MP which read as follows:

Extract of letter:

Thank you for copying me into your email dated 19.05.2017 regarding the recent change to the Villager Bus Services. I apologise for the short delay in responding.

I can confirm that I have written to the Department of Transport and the Senior Traffic Commissioner and the Traffic Commissioner for the east of England asking for their guidance on this matter. I have specifically asked for clarification as to why Trent Barton is able to justify changes to the routes by making punctuality a priority over providing a service through the streets and villages that residents of South Derbyshire have asked for.

I will let you know when I receive a response.

- c. Isis Way name change consultation – Previously reported under minute number 1196/17

The Clerk thanked Cllr Hall for hand delivering the questionnaires to each household on Isis Way.

The Clerk reported that she had only received back a handful of the questionnaires sent out to the residents effected as follows:

- 5 against a name change – most included comments as to why the name should not be changed including, they had not had any issues with the name, it would be giving into terrorists, only people voting to change the name should be asked to pay the costs, fear of the name only creates more fear, the street was named after a river and it would reduce credit scores for people effected. This list is not exhaustive.
- 2 in favor of a name change – There was only one comment received, which related to a sign being required stating it was a dead end to stop people turning around.

She had also received correspondence from the Managing Director of Don Amott Caravans & Motorhomes asking if Don Amott Way could be considered as a suitable new street name if it was agreed to change the name.

Resolved: Hilton Parish Council agreed, that in light of the lack of response to the informal consultation, this matter would not be taken any further.

- d. Main Street – Petition update to urge DCC to make road safety improvements – Previously reported under minute number 1196/17

The Clerk thanked Cllr Hall for putting the petition in the local shops and for collecting them up again and handing them to the Clerk on the day of this meeting.

The Clerk reported that to date there had been roughly 254 signatories on petitions returned. She had also received some blank forms back as a few residents were not happy to sign them with the current wording relating to the suggestion of closing Main Street off one end. The Clerk explained that these were just suggestions and were not set in stone. Any alterations on Main Street would be the decision of DCC.

The Clerk reported that she had written to the Highways Department at DCC and had received the following reply:

Extract of reply:

Firstly, we would like to assure you that the safety of Derbyshire road users remains of paramount importance to the County Council as the local Highway Authority. Indeed, it is a fundamental remit of all Highway Authorities to take effective action to reduce the number of people being killed and injured on the roads they are responsible for.

We really do appreciate the concerns you have raised and obviously someone losing their life is always traumatic for everyone involved and we can assure you that both the Police and the Highway Authority work together to investigate when collisions do occur to prevent further injury or loss of life. Initial discussions with the Police and Highway Authority to identify the causation of this terrible road traffic collision show that the causation cannot be attributed to the highway layout and could have happened regardless of what engineering measures were in place. Aside from this isolated incident the Police database of recorded injury collisions show only one other recorded in April 2016, where a pedestrian walked across the front of a parked bus (details of why are unknown) into the path of a vehicle causing very minor collision.

For your information, we are currently holding discussions with Cllr Julie Patten regarding a number of issues in Hilton, of which Main Street is one of the locations being looked at. It might be worth contacting Cllr Patten with the Parish Council's concerns so she can raise them during these discussions.

- e. Neighbourhood Planning – Previously reported under minute number 1149/17, 1171/17, 1196/17

The Clerk thanked Cllr Cuddington for attending the DALC Neighbourhood Plan Training and handed over to Cllr Cuddington to give his report as follows:

- The trainer on the day was a gentleman who thinks Neighbourhood Development Plans are a good idea.
- The Neighbourhood Plan does not just have to cover the existing parish, but it can include the surrounding area or parishes.
- Marston on Dove does not have a Parish Council and this could easily be included in Hilton's Neighbourhood Development Plan.
- There will be a Public Neighbourhood Development Plan Meeting on 28.07.2017 at The Mease Pavilion commencing at 7pm. The aim of Hilton Parish Council is to put a steering group together to carry this project forward. If we obtain a positive response to the Public Meeting, once we commit it will be the responsibility of Hilton Parish Council.
- He would like to see Hilton Parish Council as a group take more positions and support more policies in the future. He appreciated that the Parish Council does not really have any powers but it would show leadership for the community.

Resolved: Hilton Parish Council agreed that the Terms of Reference for the Steering Group should be agreed and approved at the Public Meeting to be held on 28.07.2017.

- f. Replacement of the Village Clock

The Clerk reported that she had the original quote and had asked 2 other companies to quote for a replacement clock, she hoped to have these in by the July 2017 Parish Council Meeting for approval.

- g. South Derbyshire Planning Consultation to be held on 29.06.2017 at Hilton Village Hall commencing at 3.30pm to 7.30pm

Resolved: Hilton Parish Council gave Cllr Cuddington delegated powers to complete the questionnaire on behalf of Hilton Parish Council. It was agreed that once completed the final version would be emailed to all Councillors for approval via email.

Resolved: The Clerk to email a resident's comments to the consultation to Cllr Cuddington so that these can be included in the Parish Councils response.

- h. Request to remove the bench and lighting from the entrance to Soar Close from the Back Lane Football Pitch.

The Clerk reported that she had received an email from a resident on Soar Close that was having problems with anti-social behavior relating to a bench and lighting column near to their property. She explained that the resident could not open her doors and window due to noise and the smell of drugs, their children could not play in the garden as items were being thrown over the fence. When the resident speaks with the youth they just get back abuse. The Clerk reported that the resident had requested that the bench and lighting column be removed as soon as possible.

Resolved: Hilton Parish Council agreed that the bench is used by people for its correct purpose and it would be unfair to remove the bench for this reason.

Resolved: Hilton Parish Council agreed that the lighting column had been installed for safety and security of the site and could not be removed for this reason.

Resolved: Hilton parish Council agreed that removing the bench would move the problem elsewhere rather than solve the issue. Anti-Social behaviour was a Police matter and the Police should be dealing with this problem.

Resolved: The Clerk to inform the resident of the Parish Council's decision and ask the resident to call the problems into the Police every time they occur. This way the Police will build up evidence that there is an anti-social behaviour problem on the site and can then act on this to resolve the problem.

- i. Hilton Youth Group – ratification for a climbing wall 03.08.2017 and peddle karting on 24.08.2017 during the summer holidays provided by DCC

Resolved; Hilton Parish Council agreed for the Youth Group to have a climbing wall on 03.08.2017 and karting on 24.08.2017 during the school holidays.

- j. Hilton Harriers – Request to name the Back Lane Football Pitch as their second pitch when home matches clash.
