

Dear Resident

Hilton Parish Council would like to thank those residents who attended the Parish Council Forum on 12.07.2018, between 7:30pm and 9pm. There were a number of questions/statements raised at the Forum which are detailed below, with responses.

You said, we Did.....

Hilton Parish Council

You Asked.....

Your Team did.....

DCC	
<p>The provision of another hump will do little to affect the numbers of people driving down Main Street which is the biggest problem.</p>	<p>The Problems/Issues on Main Street are already being dealt with by Cllr Patten DCC Ward Members for Hilton. Once the Traffic Survey has been completed, which was commissioned by the Neighbourhood Plan Group and the results have been collated. Cllr Patten will arrange a Public Meeting.</p>
<p>Could the Parish Council put something on Facebook for people to contact Julie Patten</p>	<p>Cllr Campion on behalf of Hilton Parish Council can add something to Facebook asking residents to contact Cllr Patten directly with regards to any Main Street traffic issues.</p>
<p>Can the Bus Shelters in the Village that are not being used be moved to the bus stops that are. Elderly people that walk to the Bus stops have no protection at them and are having to resort to waiting in the shops whilst waiting for the next bus. Can the Parish Council raise this with the County Council regularly until it is changed.</p>	<p>Even though the old bus service is no longer using the bus stops, we have been informed that the 50 services does still use the bus stops twice a day. This may be the reason that people are seen at these stops on occasions.</p>
<p>People have been seen waiting at the Bus stops that are not served anymore. Can signs be put up to say that..</p>	<p>This matter was passed onto Cllr Patten the DCC Ward Member for Hilton on 24.07.2018. We would also urge residents to also contact Cllr Patten to get the bus shelters moved that are no longer in use.</p>

Parish Council	
<p>Can the Parish Council do an introduction at the start of each meeting or have name plates so new members of the public know who the Councillors are?</p> <p>Engagement with the groups around the village at the last forum. Has any progress been made with that?</p> <p>Has there been any progress with replacing the Village Clock?</p> <p>There could be an unveiling ceremony, get someone local to do it and explain the reasons it was taken down, the consultation with the community, raising of funds and the replacement.</p> <p>Can Councillors details and areas of the village they are responsible for be put on the website.</p> <p>Can more be made of the Decembers meeting to involve the community. Can it plan more in advance this year with possibly a summary of what has happened been achieved in the year?</p>	<p>Hilton Parish Councillors will have name plates as of 25.07.2018 Parish Council Meeting.</p> <p>No progress on this has been made, the Parish Council needs to decide how to take this forward. This will be considered in due course.</p> <p>The Clock will soon be ready to be installed, firstly some groundwork needs to take place prior to the clock being installed. We have a local contractor sorting this out with advice from Smiths of Derby.</p> <p>The Parish Council will consider an unveiling ceremony for the replacement clock in due course.</p> <p>Councillor details will shortly be added to the Parish Council website. Parish Councillors as individuals do not have responsibility for separate areas, they form the Corporate Body and work together as a group, they do not have designated areas.</p> <p>The Parish Council meeting is about getting the business of the council conducted however it will consider what can be done to do this. A yearly update of what has been achieved during the year is normally presented at the Annual Meeting, however the Chairs can use his discretion as to give an update in December if appropriate.</p>
