<p>Please can you tell me what traffic calming measures are being put in place on Main Street?</p> <p>There needs to be a 20MPH speed limit and flashing signs to reflect this.</p> <p>Two children's nurseries have been granted to run on the Main Street and there needs to be more safety measures in place</p> <p>There needs to be a crossing near the Talbot Pub for the children to use when they are crossing to go to the school. More effort in encouraging traffic to use the road around the Mease?</p>	<p>The Problems/Issues on Main Street are already being dealt with by Cllr Patten DCC Ward Members for Hilton. Once the Traffic Survey has been completed, which was commissioned by the Neighbourhood Plan Group and the results have been collated. Cllr Patten will arrange a Public Meeting.</p>

<p>What are the pollution levels in Hilton Main Street?</p> <p>There's a lot of residents and businesses living/functioning close to the Main Street</p>	<p>As far as the Parish Council is aware, no pollution survey has been completed in Hilton. The Parish Council will pass this over to the Neighbourhood Development Plan Group to see if this is something that they would like to look at. Failing that Hilton Parish Council will pass this over to our SDDC and DCC Ward Members to look into.</p>
