What is the latest update in the Parish Council concerning the residents of Main Street.

For example: yesterday there was an accident on the A50 and traffic was diverted along Main Street from before 8am until late afternoon. It was utter chaos.

The problems/issues on Main Street are already being dealt with by Cllr Julie Patten DCC Ward Member for Hilton. Once the Traffic Survey has been completed, which was commissioned by the Neighbourhood Plan Group and the results have been collated. Cllr Patten has said that she will arrange a Public Meeting to discuss any issues further.
