Resolved: Cllr Darlington declared a personal interest in the Clerk Report, item h) regarding grant applications for 2017/2018.

4. Minute Number 3048/19 - Public Speaking.

Minute Number 3048/19/A – Public Speaking

Members of the public raised the following matters:

- VAT on the budget to 31.12.2018, does not including 1st quarter of the year VAT including VAT on The Mease Car Park project, this would cover the shortfall in the budget. Clerk this will be taken into account when the precept is discussed later in the meeting.

- A resident repeated what they had said at the finance meeting held on 23.01.2019 in relation to large increases in the precept in previous years. The Chair replied that the answers were given at the Finance Meeting and the Council had taken the comments on board.
- Communication and Facebook Spotted Hilton were raised, the Chair replied this would be discussed later in the meeting.
- There was a suggestion of the Parish Council having communication boxes outside the Parish Council Office and outside of the School.
- There was a suggestion to have a Parish Council notice Board outside the school and outside the Village Hall.
- Hatton Girls FC asked if their grant application had been received as it was not on the agenda. The Clerk replied that it had been received, all applications would be discussed by the Council in February and awards given in March.
- A resident had spoken to the School and they would consider sending meeting dates out via parent mail.
- The gate quote was quite expensive, gate closers can be purchased quite cheap, there are also gates available a lot cheaper than the quote received, obviously there will be installation. Hope the Council have studied this a bit better and will get value for money.
- An offer from Party on the Park for the Parish Council to have a free stall if they want one.
- Engagement started last year, there has not been a meeting for a while can we have an update. The Chair replied more dates need to be arrange, we will come back to you on this.
- The Notice of do's and don'ts on the Childrens Play Area at the Village hall site had faded away. The Clerk said she would inform SDDC of this as the signage was there responsibility.
- The Parish Council should use their own Facebook Page.
- The Council are getting a very bad name/press
- The Council should advertise their achievements in the year and how the money is spent.
- Were 3 quotes received for the van insurance. The Clerk replied that she had used compare.com and the current insurer was by far the cheapest. Cheque approved in the December minutes.
- Cheque 003325 which was stated in the agenda/minutes as £479.99 should be £1,237.91. this had been queried with the Clerk and the Clerk had responded stating this was human error. This was a catastrophic failure of internal controls, which involved 3 people, the Clerk and 2 others who sign the cheques. They had not checked the invoice against the authorisation documents. So, the internal audit does not work, what will happen to ensure this does not happen again. This item was on the agenda for discussion later in the meeting under finance.
- Cllr Pardner explained that as a new Councillor he found the meeting held on 19.12.2019 absolutely atrocious due to peoples behaviour. Nobody in the audience had welcomed him to the Parish Council. He hoped that this would never happen again. Thankfully this meeting seemed to be a little better.

Minute Number 3048/19/B – Police Representatives Report

There were no Police Representatives Present at the Meeting and there was nothing to report.

Minute Number 3048/19/C – County Council Representatives Report

Cllr Patten gave her report as follows:

- Cllr Billings had asked her to report the road to nowhere at the back of Foss Road. This area is overgrown, there is lots of rubbish and fence panels have been removed for easy access. A meeting had taken place with St Modwen's and SDDC were now looking at if this road could be joined up. However, there was another land owner involved which made it a little more difficult to resolve.
- Drains on Uttoxeter Road had now been cleaned out.
- She had attended a meeting with John Port School to discuss the issue of children cycling to school. This was in relation to them being in dark clothes and not being very visible in the dark. She had pledged support from the community fund and would be working with the School, the Police and parents to find a solution.
- She had been on site at the New School on The Mease and they are installing the side panels.
- House sales for St Modwen's are doing well due to the opening of the new school this year.
- People are still not using the Main Street Recycling Centre properly, if this continues the Recycling Centre will be removed, this is being monitored.
- Good public meeting was held with the neighbourhood Plan. DCC are supportive of reducing the speed limit on Derby Road from 40mph to 30mph but this will be a lengthy process. DCC would be looking at better signage and the extra cushion issue was still being looked at.

The Chair asked about the speed limit on The Mease where the new school would be. Cllr Patten replied that at the moment this area did not currently qualify for a reduction in the speed limit but it could be looked at in the future.

- Their next surgery will be held on 16.02.2019 from 11am to 12 noon at the Hilton Brook.
- Cllr Patten and Cllr Billings keep an eye on Spotted Hilton, they had noticed recently some quite offensive language from a Parish Councillor. Councillors can not dip in and out as resident and then as Parish Councillors, social media is a dangerous thing, disappointed with some of the language used by Parish Councillors.
- She reminded people to either call 101 or Crimestoppers if there were incident in the village rather than posting it on Spotted Hilton. The Police do not use Spotted Hilton.
